
Terms of Business

Definitions

We are an independent intermediary committed to providing quality advice, service and products from a broad range of insurers. We act as your agent and accept responsibility for the advice given in managing your insurances. We are subject to the law of agency, which imposes various duties on us. However, in certain circumstances we may act for and owe duties of care to other parties.

The Financial Conduct Authority

We are authorised and regulated by the Financial Conduct Authority (FCA) and our Firm Registration No is 1016728. These details can be confirmed on the FCA's Register at website <https://register.fca.org.uk/s/> or by phoning the FCA on 0800 111 6768.

Financial Services Compensation Scheme (FSCS)

We are covered by the FSCS. You may be entitled to compensation from the scheme if we cannot meet our obligations. This depends on the type of business and the circumstances of the claim. Insurance advising and arranging is covered for 90% of a claim without any upper limit. Legal Expenses added to a motor policy is not an insured product and the FSCS is not applicable to protect. Further information about compensation scheme arrangements is available from the FSCS. You can find out more by visiting their website <https://www.fscs.org.uk/>

Disclosure of Information

Your responsibility as consumer is to provide complete and accurate information to insurers when you purchase an insurance policy, throughout the life of the policy and when you renew that policy. Failure on your part to disclose information relevant to your insurance or any inaccuracies in the information given could result in your insurance cover being invalid or not fully operative and therefore any claims may not be honoured.

All statements and material facts disclosed on proposal forms, claims forms and other documents must be full, true and accurate. Where forms are completed or partially completed on your behalf, you should check them for accuracy before signing. If you are in doubt as to whether a fact is relevant, you should disclose it and then ask for guidance. *In respect of Motor Insurance, this duty of disclosure also applies to all persons who may use or drive an insured vehicle and in the case of home insurance, all members of the household.*

Responsibility for Cover

It is your responsibility to read all documentation upon receipt and raise any query you may have regarding it. You are reminded that it is your personal responsibility to provide a fair and accurate representation of all key aspects regarding the overall Insurance risk. We encourage you to ask if there is anything you do not understand.

Under the Road Traffic Act, please ensure before using or permitting the use of a vehicle on the public highway, that you are in possession of a current valid Cover Note or Certificate of Insurance. You must immediately contact us if your Cover Note or Certificate of Insurance expires, is lost or stolen, as no cover may exist until written or documentary confirmation of cover has been received by you.

Insurer Security

We carry out regular checks on all insurance markets used but are unable to guarantee the continuing solvency of individual insurers, underwriters or wholesalers. Liability for the premium, whether in full or pro rata, may arise under policies where a participating insurer becomes insolvent. An insolvent insurer may also be unable to meet a proportion, or all of any claim. Whenever possible and appropriate, we will recommend insuring with companies with the highest credit ratings. Should you be concerned or require further information regarding your insurer then we will discuss this with you on request.

Quotations

Quotations are valid until the date that cover is due to start up to a maximum of 30 days, unless otherwise stated. Quotations will be confirmed in writing on request. Specimen policy wordings are also available upon request.

Any fees or charges applied by Anasa Protect LTD will be notified to you in writing.

Policy Documentation

Policy Documentation will be issued to all customers in a timely manner. This will normally be within 30 days of the contract of insurance being concluded. Your Policy Documentation will confirm the basis of cover and provide details of the insurers. Prior to conclusion of the contract, or immediately thereafter, you will be sent a statement of Demands and Needs. You should read this carefully. It will set out your specific Demands and Needs, confirm whether the contract has been personally recommended by us, and if so, the reasons for making

that recommendation. Retail Customers will also be sent a Policy Summary at conclusion of the Contract or immediately thereafter. You should read this carefully.

Payment of Premiums

We require full payment of the premiums at inception, renewal or at the time of any adjustment unless special terms have been agreed in writing. Should you not comply with those terms, and we do not specifically agree to a variation, we reserve the right to cancel the policy giving not less than seven days' notice, delivered to the last known address.

We will provide full information on payment options when we discuss your insurance in detail.

Credit

We are not a credit broker but can act on your behalf in arranging credit facilities. We are not restricted to one credit lender. If credit is being applied for, the credit lender may carry out anti-money laundering checks, search of credit reference agencies and an assessment of credit worthiness and affordability. It will cost more to pay for your insurance on a monthly plan as you will be charged for the credit as indicated by the APR%. The credit lender may apply a default notice fee if repayments are not made. You will need to refer to their terms and conditions for any fees that may be charged for missed payments, and this may also affect your credit report.

Client Money

With certain insurers we have entered into formal written agreements where those insurers will treat money paid to us, by you, as having been paid to them directly. In all other circumstances, FCA rules require that all client money that is received from clients is segregated to provide protection in the event we are unable to meet our obligations. This money cannot be treated by any creditor of the Firm as being our money. For this purpose, we operate a Statutory Trust bank account.

Any interest derived from holding your money will be retained.

Cancellation Rights

You have the right to cancel a policy within 14 days of its inception or upon receipt of the policy documentation whichever is the later. You may cancel the policy by confirming this in writing to the address of our office through which your policy was placed. If you exercise your right to cancel the policy, you will receive, no later than 30 days from receipt of the cancellation notification, and provided that Anasa Protect Ltd has received the refund from the Insurer, any sum which you have paid for the policy, apart from an amount to cover the time you have been on risk (including Insurance Premium Tax "IPT").

Therefore, your Insurer may deduct an amount from your premium to cover days where a policy was already in force. Your insurer may also apply a cancellation fee, details of which can be found in your Insurer's policy documentation.

Please note that any refunds will only be issued to the original named individual who made the payment. Under no circumstances can refunds be made to third parties or alternative beneficiaries.

Claims

As part of our service, we can assist you with any claim you need to make. In the event of an incident that may give rise to a claim on your policy, you must notify us promptly within our office hours. Our opening hours are 9am-5pm Monday to Friday (excluding bank holidays). We will guide you through your Insurer's claims procedure or direct you to the Insurer's helpline.

You must not admit liability nor agree to any course of action until confirmation of such action has been directed by the Insurer/Appointed Representative of the Insurer.

Claims and Underwriting Exchange Register

Insurers pass information to the Claims and Underwriting Exchange Register, operated by Database Services Ltd and the Motor Insurance Anti-Fraud Register compiled by the association of British Insurers. The objective is to check information provided, and to prevent fraudulent claims. Motor Insurance details are also added to the Motor Insurance Database operated by the Motor Insurers' Information Centre (MIC), which has been formed to help identify uninsured drivers and may be accessed by the police to help confirm who is insured to drive. In the event of an accident, this database may be used by insurers, MIC and your motor insurer to identify relevant policy information. Other insurance related databases may also be added in the future.

In assessing your application/renewal or any claims made and to prevent fraud, check your identity and to maintain accurate policy records, we or the insurer or the credit provider may;

1. Undertake checks against publicly available information such as Electoral Register, County Court Judgements, bankruptcy or repossession information.
2. Search files made available to us by Credit Reference Agencies. They may keep a record of that search. We may also pass information to Credit Reference Agencies about you and your payment record with us. Credit Reference Agencies share

information with other organisations, enabling applications for financial products to be assessed or to assist in the tracing of debtors, or to prevent fraud.

3. Use information relating to you and your vehicle supplied to us or the insurer or the credit provider by other parties, for example other insurance companies or fraud prevention agencies.
4. Carry out checks against existing data that may be held about you as a customer in relation to other products you have held with us (or for which you have obtained a quotation) or in relation to other insurance policies that we may have arranged and administered for you (for example details of your claims history in respect to previous policies, or information such as your payment record)
5. The data that you provide now may also be used for these purposes if you apply for any further products with us or any other insurance products arranged and administered by us in the future. Data may also be used for research and analysis purposes to help us improve and develop the products and services we provide.

Renewals

Renewals are invited on the basis that there have been no changes in the risk other than those specifically notified to us or your Insurers.

Renewal terms from Insurers will be provided in good time. Please contact us if you require any clarity on specific timelines. Attached to the Renewal Terms will be a statement of any changes to the terms of the policy, with an explanation of these changes.

Treating Customers Fairly

Our goal is to ensure that all our customers are treated fairly. We aim to provide clear, and not misleading information about the products we recommend, and services we offer, including fees, charges and commission as appropriate. We ascertain individual needs, preferences and circumstances before recommending a product. We will not recommend a product if we cannot find one which we consider suitable and appropriate.

We encourage you to ask if there is anything you do not understand.
